**PARENT LETTER – CEP SCHOOLS**

September 29, 2020

Dear Parent/Guardian:

Welcome back to school! You are receiving this letter because your child(ren) attends a school that offers free meals to enrolled students under the Community Eligibility Provision (CEP). A lunch application is NOT needed to receive free meals. We are asking that you complete a *Supplemental School Funding Form*. This important funding form is quick, confidential and will provide additional school funding.

Completing the form may result in valuable resources for students such as:

- Intervention/academic student support
- Technology and online resources
- Innovative new tools for learning

The form is available to be completed online at [www.lunchapplication.com](http://www.lunchapplication.com) or complete and returned form to your child's school by October 7, 2020. All information provided is completely confidential and will not be used for any other purpose.

Thank you for providing this information, which is 100% confidential, and for helping to ensure that our school continues to receive the critical funding needed to serve our students.

For more information, please call the district business office at 909-866-4631
